ONE COMPANY. TWO GREAT SERVICES.

NOVEMBER 2018

TWO YOUNG NEWLYWEDS. ONE BIG DREAM.

My wife, Chelsea and I, founded Chelsea Place in 2011. We were fresh out of college and did not know what we wanted to do with our lives. I made a brief attempt to pursue a career in the insurance industry, however, it was unfulfilling and we were determined God had something more for us. At the age of 23 and 21, we purchased an assisted living facility in Port Charlotte, FL that had recently closed. Chelsea and I were newlyweds and after our honeymoon we moved into the facility together and began to pursue our dreams. We were determined to be distinct and set an example for how the senior care industry should be. Today, we are privileged to care for 12 residents in our assisted living facility. We recently opened a senior day care center and serve about 70 members. We are grateful for the opportunity God has given us and we look forward to revolutionizing senior care. God has blessed us with the most loving, caring and compassionate team and we are extremely grateful for everything they do for our residents. All glory to God. - Kris & Chelsea Chana, Founder & CEO
